

## *Victory Christian Academy* INTERNET POLICY

The policy established below is designed in accordance with the high standards and educational excellence of our students here at Victory Christian Academy.

- A. Internet access will not be used for personal purposes such as chat rooms or non-curriculum related web-sites, as determined by the Victory Christian Academy.
- B. Web-sites can only be used for the express purpose of academic assignments and/or research projects within our curriculum.
- C. Students that violate this policy will lose their computer privilege for one (1) month. During this time students must do all academic assignments and or research at home. Parents will be required to sign off on these projects when completed.
- D. When the suspension is completed the student will be re-evaluated to determine if Internet privileges will be restored.
